8 MAUREEN FORS,

10 v.  
11 COMMISSIONER OF SOCIAL SECURITY,

Plaintiff,

Case No. C19-1520 RSM

Defendant.

13  
14                   **ORDER TO SHOW CAUSE**  
15  
16

17                   After two extensions of time were granted, Plaintiff was required to file an opening brief  
18 on or before March 9, 2020. Dkt. 19. On March 11, 2020, Plaintiff's motion for a third  
19 extension was denied, without prejudice, for failure to comply with local rules. Dkt. 21. As of  
20 March 30, 2020, Plaintiff has neither filed an opening brief nor properly requested an extension  
21 of time.

22                   Plaintiff is ordered to show cause by April 10, 2020, why this matter should not be  
23 dismissed for lack of prosecution. Failure to show cause may result in dismissal of this action.  
24 Plaintiff may respond by filing an opening brief along with an explanation for the delay. If the  
25 Court finds the explanation reasonable, the Court will accept the late brief and amend the  
26 Scheduling Order to avoid prejudice to the Defendant.
